Attention: Mr. D. Mangialardi

Gentlemen:

In accordance with your request of Friday, November 3, 1972, we are hereby confirming our verbal statement that we expect to have the new sewage treatment equipment installed and in operation by December 15, 1972.

As you know, the majority of the equipment arrived at the job site November 1, 1972, much later than anticipated. We started to install this equipment today.

We will proceed with removal of the lagoons as soon as the new equipment is in operation.

Very truly yours,
